## Announcing the 2022 Zimtu European Bus-Trip

Between 2011 and 2016 Zimtu Capital hosted an annual Zimtu bus-trip to Europe each fall, with stops scheduled in Germany and Switzerland. The bus trip featured investor meetings, arranged company presentations to retail investors, family offices and other institutional representatives, and provided networking and other business opportunities for participants at each stop, Geneva and Zurich in Switzerland, and Frankfurt and Munich in Germany.

Now we are planning to resume the European bus trip, and at this point we are seeking expressions of interest.

If you are interested in building awareness for your company in Europe, this event is a must-attend.

If you are a broker you can expect to be introduced to new potential clients who will be encouraged to sign up with a Canadian broker at all events.

Call us at 604 681 1568 for more information!
